MARKETING OPPORTUNITY

Dahlongega Trail Fest

AT Trail Fest Dahlongega, GA

September 7-9, 2018

Dear Dahlongega Trail Fest supporter,

Yahoola Outdoors is proud to produce the 8th annual Dahlongega Trail Fest. The Trail Fest began in 2011 and serves several goals. In 2011, Dahlongega was designated by the Appalachian Trail Conservancy as an AT Trail Community, joining other towns along the AT to promote and protect the trail. Trail Fest is a true educational event, combining the hiker gathering with a way to reach out to all adventure seekers, outdoor enthusiasts, families, and newcomers to outdoor recreation to educate and provide a venue for manufacturers, authors, and vendors to gain exposure to those with an interest in outdoor recreation. The Dahlongega Trail Fest is held on the second weekend in September, at the beginning of the fall outdoor season.

Not limited to only Appalachian Trail activities, Trail Fest includes any non-motorized outdoor recreation. Speakers, demonstrations, and workshops cover the AT, long distance hiking, backpacking, boating, biking, trail running, and horseback riding. Additionally, manufacturers and vendors (both demonstration and retail) join national, state, and local non-profits in the booth area. Activities include how-to sessions, outdoor author talks, films, music, and our most popular sessions, the thru hiker panels. Featured speakers at Trail Fest have included Eb "Nimblewill Nomad" Eberhart, Gene Espy, Richard Judy, and AT record setter Jennifer Pharr-Davis.

Trail Fest is a three day event beginning on Friday afternoon at 5:00 pm and ending on Sunday afternoon at 5:00 pm. In addition to AT hikers and enthusiasts, participants include locals and visitors from Atlanta, only 70 miles south, and from around the southeast.

Trail Fest needs your support to continue to grow. Your partnership for 2018 is not only an opportunity to market your company to outdoor enthusiasts, but also an excellent way to demonstrate your community involvement and commitment to the Appalachian Trail. Thank you for your consideration in investing in the promotion of the education of users of the outdoors and the protection of the Appalachian Trail through the Dahlongega Trail Fest. With your assistance, the Dahlongega Trail Fest will continue to grow as one of the premier east coast AT trail festivals of the year. We value your support in 2018!

Best regards,

Tom Lamb

Festival Chairman

YOUR SUPPORT IS NEEDED!

Dahlonega Trailfest

(All logo placement depends on material production date and date of sponsorship)

Presenter's Level over \$2,000

Listed as primary event sponsor
(billed as Dahlonega Trail Fest, "Presented by YOUR NAME")
